Subject: June 1 deadline

Geoff-

Following up on today's telephonic meet-and-confer and Mercedes' request that the parties stipulate to a joint request asking the Court to continue until June 15 the June 1 deadline to submit relevant orders, sorry, but there is no appetite for further delay on this end. Magistrate Judge Dickson issued his order setting the June 1 deadline back on May 10, and we provided Mercedes with Plaintiffs' draft discovery plan on May 16. And we've been discussing a draft Preservation Order since March.

Plaintiffs intend to abide by the June 1 deadline set by the Court. Please provide the draft orders that you referenced on the call as soon as you can.

Regards,
